Re: Directions to 510 Furnace Dock Road, Cortlandt

Dear Ron:

To get to our property at 510 Furnace Dock Road in Cortlandt, take the Tappan Zee Bridge to I-287 East. Exit from I-287 onto the Saw Mill River Parkway North and take the Saw Mill River Parkway to the Taconic Parkway North. Exit from the Taconic Parkway onto Route 202 West. Take Route 202 west for 2 to 3 miles to Croton Avenue. Turn left onto Croton Avenue. (Note that north of Route 202 Croton Avenue becomes Maple Avenue.) Take Croton Avenue south for 1 to 2 miles to a fork in the road. Furnace Dock Road is the right branch of the fork. The entrance to our property is 200 to 300 yards up Furnace Dock Road on the right. Baker Properties name and logo appears on the sign.

Per your request, attached is a map showing the route to our property. The map picks up the trail on the Taconic. Please call me if you have any questions. If I do not hear from you, I will look forward to seeing you at the property at 3:00 p.m. on Tuesday October 15th.

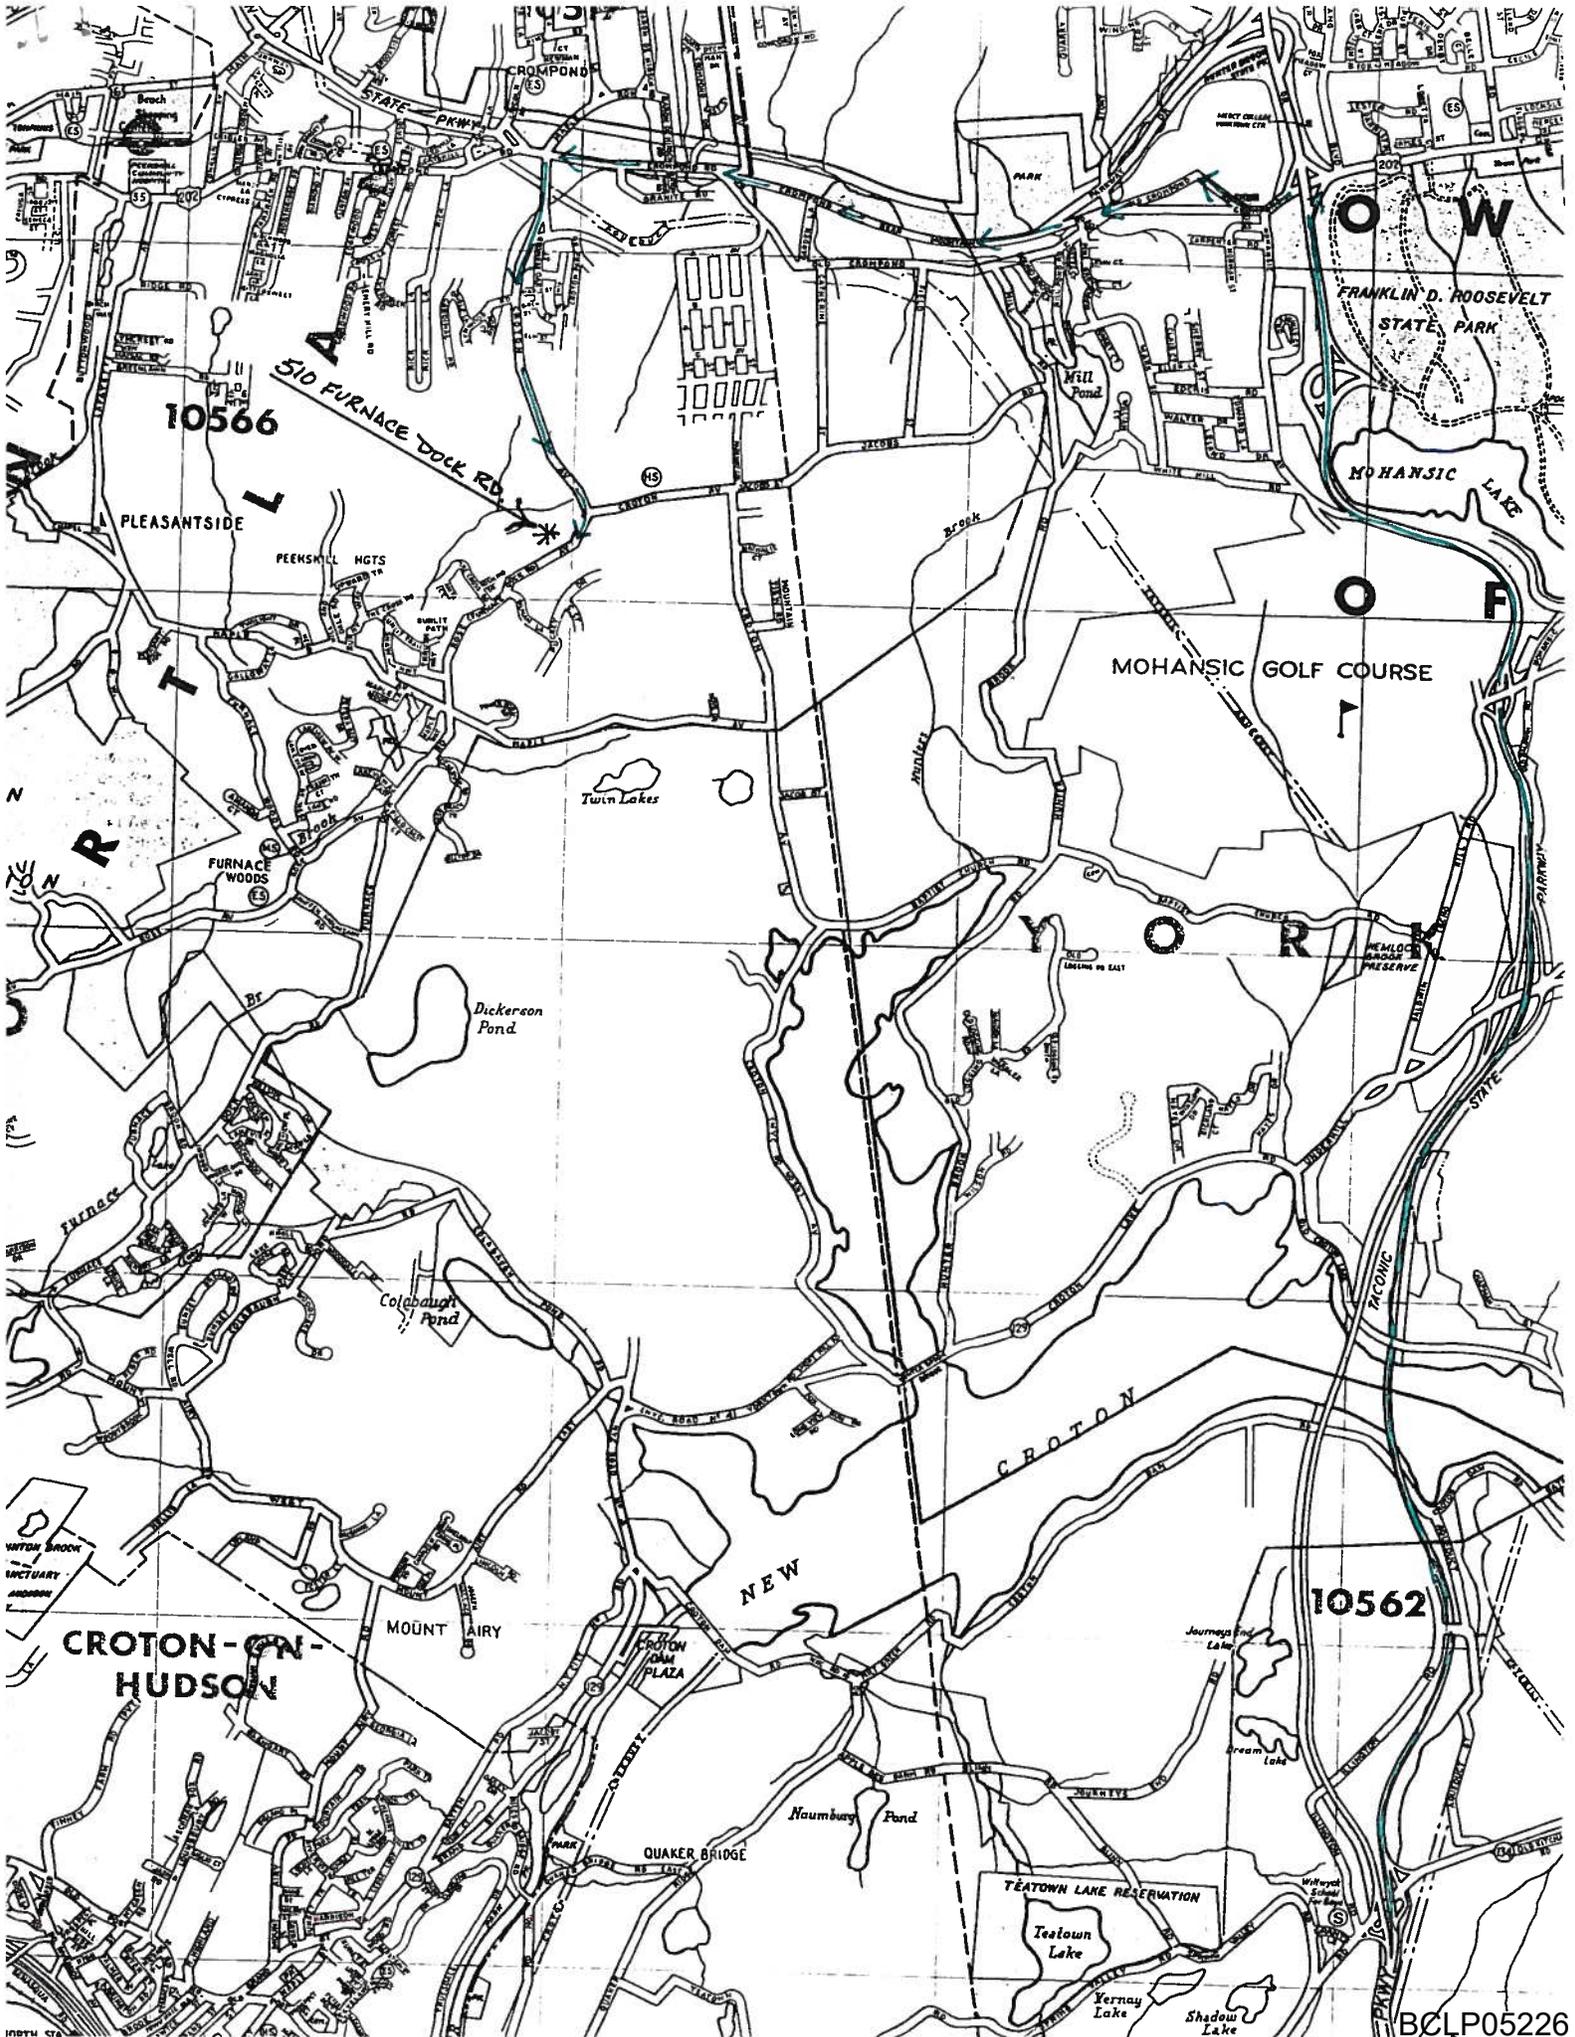

Sincerely,

A handwritten signature in black ink, appearing to read 'Michael J. Baker'.
